PRODUCT MANAGER | USER ENGAGEMENT | LOYALTY PLATFORMS | PLATFORM STRATEGY

SUMMARY

Product-focused program and platform leader with experience designing and scaling loyalty, rewards, and engagement ecosystems across dealers, retailers, farmers, and influencers. Skilled at turning business goals into product workflows, earning and redemption logic, user journeys, campaign constructs, and dashboard-led decision making. Strong cross-functional execution across technology, operations, finance, client stakeholders, and external vendors.

CORE SKILLS

Product Strategy • Product Discovery • Feature Definition • User Journey Mapping • Workflow Design • Requirements Gathering • Platform Integrations • Stakeholder Management • Cross-Functional Collaboration • Dashboarding • Cohort Analysis • RFM Segmentation • Engagement Strategy • GTM Enablement • Issue Resolution

EXPERIENCE

BI Worldwide India — Senior Manager – Client Success / Program Management

Nov 2023 – Present | India

- Own large-scale loyalty and engagement programs across distributed user ecosystems with reach across 100% of Indian pin codes.
- Translate client and business requirements into platform workflows, tier structures, earning logic, redemption journeys, and campaign constructs.
- Partner with technology teams on system-level integrations, including SAP-enabled data flows that support real-time program operations.
- Build executive dashboards tracking adoption, engagement, redemption, SLA adherence, and cost efficiency to support product and business decisions.
- Use cohort analysis and RFM segmentation to identify user behavior patterns and improve engagement strategy and platform performance.

Elevatoz Loyalty — Account Manager – Loyalty Programs

2022 – 2023 | Gurugram

- Managed client requirements and platform configuration for loyalty programs across multiple business needs.
- Analyzed program performance and recommended improvements to strengthen user engagement and overall outcomes.
- Contributed to approximately 30% annual sales growth and nearly 20% month-on-month user growth.

Evolve Brands Pvt. Ltd. — Deputy Manager – Loyalty Programs

2022 | Gurugram

- Conducted operational analysis to identify execution gaps and improve day-to-day program delivery.
- Introduced process improvements and prepared management reports to support leadership decision-making.

Dev Euro LLP — Client Servicing Manager

2017 – 2022 | Noida

- Managed multiple client accounts, improved workflows, and supported corrective action planning across accounts.

Channelplay Ltd. — Associate Program Manager

2016 – 2017 | Gurugram

- Coordinated stakeholder requirements, tracked execution progress, and supported cross-functional delivery planning.

EDUCATION

Amity University, Noida — BBA (BBS-BD) | 2013 – 2016

Universal Public School, Delhi — High School Diploma | 2012 – 2013
